The Platform for Power Electronics

Technical progress and digitalization are changing every industry. The market for power electronics has changed rapidly over the last ten years, mainly due to developments in semiconductor devices and microprocessor technology.

To take advantage of opportunities, it is important for experts to obtain the relevant information from and about the industry in a timely and reliable manner.

Take advantage of the synergy effects and perfectly link PCIM Europe with Power & Beyond.

Reach your target group all year round, fast and easy.

» **Power & Beyond offers information from experts for experts, to remain current in a rapidly developing industry.**

The Portal

At a Glance

The PCIM Europe is the leading international trade fair and conference for power electronics, Intelligent Drive technology, renewable energy and energy management. Thanks to the highly qualified visitors and the unique networking opportunities, PCIM Europe is the annual key event of the industry!

With the digital content platform Power & Beyond (Launch: 2020) you can now benefit year-round from the outstanding position of PCIM Europe and profit from its unique market access.

The thematic focus is consistently oriented toward the organization of the fair: All trends and developments in power electronics are considered on the platform as well as the entire value chain – from components to the intelligent system.

We are happy to provide you with advice so you can reach your target group in power electronics all year round.

Your Benefit

- With more than 99,400 visits per month, you reach users from the power electronics industry, including numerous visitors of PCIM Europe.
- Take advantage of the diverse solutions and present your communication portfolio according to your individual needs: reach, brand awareness or lead generation.
- Place your message with a consistently growing professional audience and benefit from the dynamics of the rapidly growing content platform.

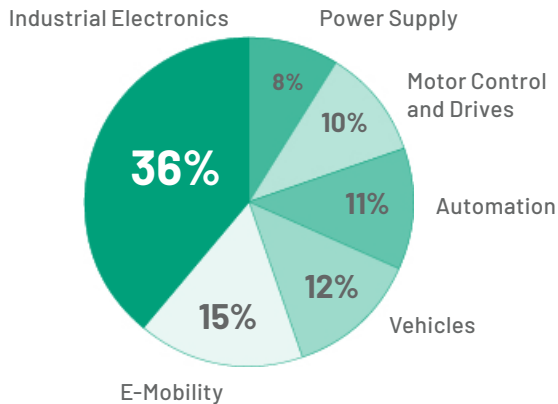

www.power-and-beyond.com

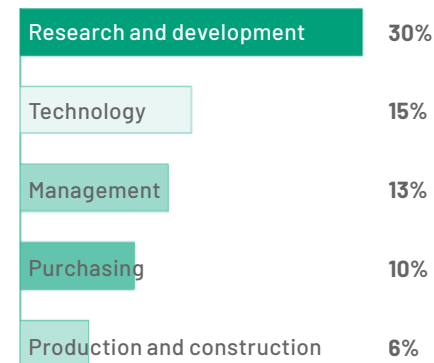

Target Group

The users of Power & Beyond are analogous to the visitors of the PCIM Europe trade fair and include experts and decision-makers working in management, product and system design, purchasing and research and development. Power & Beyond is highly specialized in its focus, similar to PCIM Europe and offers innovative content for all relevant trends and developments in the power electronics industry.

Top user industries*:

Top company divisions*:

*Analysis based on evaluation of over 6,000 contacts from the content platform's subscriber list.

References

We're excited to continue our partnership with Mesago through Power & Beyond. Their leadership of the PCIM Europe conference instills tremendous confidence in this newest endeavor. Together, we can provide the semiconductor industry timely and impactful information year-round.

Company Profile

The company profile is a platform for your company to distinctively present your products and services. Your profile is connected with thematically related technical articles. This way, you can be where your target group is – to demonstrate presence and to be remembered.

Your Benefit

- **Top-quality content mix**
Your company profile is populated with both your own material and with related articles by our editors.
- **Defined target group – minimum waste coverage**
Reach your target group in the right context through the automatic feed to thematically matching articles.
- **Enhance the visibility and reach of your content**
Use the target group access of our media brands to increase the reach of your content and raise your brand awareness.
- **Transparent reporting and easy updates in our Customer Center**
You can access values for ad impressions, clicks and CTR at any time to efficiently measure the success of your company profile.

Price per Year

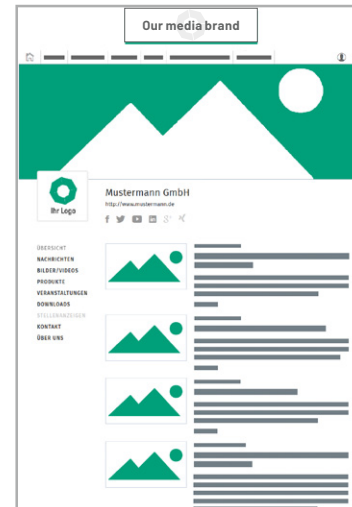

Basic price _____ 1,995.00

Update of your company profile _____ 150.00*

*Price per basic filling or per update with 4 pieces of content.

The entry is automatically renewed for another year, at the valid list price, unless terminated in writing three months prior to the expiry date of the contract.

All prices in EUR plus VAT.

In the upper section, you present your company with your logo, background image, domain and social media contacts.

The overview page shows a high-quality mix of your own content and articles by our editors.

The user clicks to see the full article.
